ROUGH DRAFT

UNFINISHED BUSINESS

H.B. No. 299, HD 1, (SD 1)
H.B. No. 519, HD 1, (SD 2)

The Chair addressed the Clerk who announced that the record of votes for the appropriate measure had been received which indicated that the requisite number of House Conferees appointed had agreed to the amendments made by the Senate, and had cast affirmative votes to report said measure to the Floor for final disposition.

H.B. No. 299, HD 1, SD 1:

In accordance with the Conference Committee Procedures agreed upon by the House of Representatives and the Senate, the managers on the part of the House recommended that the House agree to the amendments proposed by the Senate to H.B. No. 299, HD 1, on the following showing of Ayes and Noes:

Ayes, 3 (B. Oshiro, Luke and Thielen). Noes, none. Excused, none.

On motion by Representative B. Oshiro, seconded by Representative Evans and carried, H.B. No. 299, HD 1, SD 1, entitled: "A BILL FOR AN ACT RELATING TO COURTS OF APPEAL," passed Final Reading by a vote of 48 ayes, with Representatives Cabanilla, Carroll and M. Oshiro being excused.

H.B. No. 519, HD 1, SD 2:

Representative B. Oshiro moved that H.B. No. 519, HD 1, SD 2 pass Final Reading, seconded by Representative Evans.

Representative Pine rose in support of the measure and asked that her written remarks be inserted in the Journal, and the Chair "so ordered."

Representative Pine's written remarks are as follows:

"Mr. Speaker, I rise in support of H.B. 519. Our workers' compensation law provides medical insurance and wage loss protection for employees who suffer work related injuries while also protecting employers from the civil liability resulting from such injuries. For a 50% owner of a business organized as a corporation, that owner may choose to buy coverage for him- or herself, but it's not required. Yet owner-employees of Limited Liability Companies ("LLCs") cannot do this. Under the current law, an owner-employee whose business is organized as an LLC must purchase coverage regardless of how much of a percentage in that business that person owns. There's no logical reason for this difference in treatment — it is simply a historical accident. Our Workers' Compensation law was written before LLCs came into being in Hawaii, so LLCs were not mentioned. The law we presently have reflects the business world of 25 years ago.

"What this bill does then, Mr. Speaker, is modernize our Workers' Compensation law by allowing certain owner-employees to decide whether they should buy Workers' Compensation insurance coverage for themselves. H.B. 519 does this by exempting from the definition of "employment" under the workers' compensation law, those owner-employees who (1) are members of a LLC or a partner of a LLP and who possess a distributional interest in the company or partnership of at least 50%, (2) a partner in a partnership, and (3) a sole proprietor. For such owners it makes sense to opt out of workers' compensation coverage. Mandating coverage for such owner-employees imposes additional costs on businesses, particularly for sole proprietors.

"Further such mandated coverage is irrational: A business owner who is not actively involved in the day-to-day activities of the business will most likely not suffer a work-related injury and would not benefit from workers'

compensation insurance. Even if that owner does work at the business, there's little or no gain to filing a worker's compensation claim, which would increase premium costs borne by his business. It is also highly unlikely for a sole owner of a company to file a claim against his company, and thus himself. And in the case of a sole proprietorship, an injury would likely result in the termination of the business' operations. Worker's compensation insurance imposes additional costs on a business, so this bill would provide additional and much needed financial resources for small businesses.

"The testimony in support of H.B. 519 by DLIR and business organizations representing LLCs is compelling, while the arguments by those who oppose this measure because "coverage gaps" will cause more "costs to the government" lack merit: Worker's Compensation is insurance bought from a private insurance company or is self-insurance, so there is no added cost to the government should some persons not be covered — while conversely, requiring coverage in those owner-employees covered by this bill has added to the workload of our Disability Compensation Division.

"Finally, if this modernization to our workers compensation law is not enacted, our State will look all the more "business-unfriendly" to those businesses we are working to attract to Hawaii. Many states already have statutory provisions making workers' compensation coverage non-mandatory for sole proprietors and LLC members. Hawaii, Mr. Speaker, should do the same.

"The Minority Caucus for many years has worked hard on this bill, and we are justly proud of the fairness that this bill finally brings to our law today. I therefore gladly rise in support of H.B. 519."

The motion was put to vote by the Chair and carried, H.B. No. 519, HD 1, SD 2, entitled: "A BILL FOR AN ACT RELATING TO WORKERS' COMPENSATION," passed Final Reading by a vote of 48 ayes, with Representatives Cabanilla, Carroll and M. Oshiro being excused.

At 11:50 o'clock a.m., the Chair noted that the following bills passed Final Reading:

H.B. No. 299, HD 1, SD 1

Representative Ichiyama rose in support of the measure and asked that her written remarks be inserted in the Journal, and the Chair "so ordered."
